Same full-credit score.
Different trajectories.

Visually Grounded

Prestigious and costly, from California, Bordeaux classic regions; diverse varieties

Computationally & Visually Grounded

Median price exceeds \$100; the US, France, and Italy dominate the selection.

Computed but not Visually Grounded

≈1.5% of reviews; 1512 wines, 4-6× the median price, aging-related reviews.

Plausible but Fabricated

Prestige, concentrated fruit, firm tannins, classic terroir, prior-knowledge substitution
